Open OBS Studio and See if the camera image is shown. If not select Scene on left. Mute Video Capture Device bottom center. Unmute Desktop Audio bottom center above Video Capture Device. Then click on Settings

Click on Stream from list on left. Paste the Stream Key from Facebook in Stream Key box and then click on Apply. The box will close.

Click on Start Streaming and say Yes in the box asking if you're sure.

Go back to Facebook.

Click Next. Video should show up.

Desribe the video in the top box. Put today's date in Title box. Tag with anything special (holidays, worship, church, high peak). At click on the person icon to add people who are doing special music, preaching, testimonies. Click on Go Live.

When I finish closing prayer, go to OBS Studio and click on Stop Streaming and Stop Recording. Then click on Exit. Go back to Facebook and close the browser.
